SERVICE CHANGES FOR SUNSHINE COAST TRANSIT SYSTEM

SUNSHINE COAST, B.C. – On Wednesday, June 30, 2010, service levels in the Sunshine Coast Regional Transit System will increase to coincide with the summer ferry schedule.

The increase in frequency and schedule adjustments will help accommodate local and tourist travel. Other minor schedule changes may be found in the Summer Rider's Guide and at www.bctransit.com.

Funding for the Transit System is cost shared between the Sunshine Coast Regional District and BC Transit. Decisions about fares, routes and service levels are made by the Sunshine Coast Regional District.

For routes, schedules and general inquiries, please call the local BC Transit operator at (604) 885-6899 or visit www.bctransit.com.
