Pass Programs

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Riding the Bus

Courtesy Seating

Although BC Transit serves everyone on a first-to-board basis, courtesy seating is considered to be the front accessible area of the bus. Courtesy seating meets the needs of all transit customers, and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids,
- customers with a disability or mobility issue, and
- customers with baby strollers.

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/100-mile-house/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Bus Stops in Rural Areas

In rural areas where there are no designated bus stops, the bus can be flagged down. When you want to catch the bus, find a safe location where the bus can easily pull off the road, such as a driveway or postal box area.

Make sure you are visible, especially when it is dark. Carry a flashlight or stand in a well-lit area.

To get off the bus, let the driver know ahead of time where you want off, and the driver will stop at a safe place, as close to your request as possible.

Request-a-Stop

After dark, customers who feel that their personal safety is at risk or who have a mobility challenge can ask their driver to stop between regular bus stops. Ask at least one bus stop ahead of where you wish to get off. You will be let off as close to your request as safely possible. For safety reasons, leave by the front doors and customers using wheelchairs must use designated wheelchair-accessible bus stops.
