## Welcome Aboard

Bus service is provided from Bella Coola to Glaciersview, with service to Firvale by request.

This service is available to anyone in the community, however, hospital trips are a priority. Passengers can either book a trip ahead or flag the bus down.

Service provides door-to-door service for people with a disability and community-to-community service for others. Depending on where you live you may need to meet the bus at an alternate convenient and safe pick up location.

## About Your Transit System

The transit service is funded by the Central Coast Regional Hospital District and Bella Coola Regional Hospital in partnership with BC Transit. Decisions on fares, routes and service levels are made by the Hospital District Board based on public feedback and information provided by BC Transit. The service is operated by the BCV Stagecoach Express. Operating costs are met by a combination of farebox revenues and joint district and provincial funding.

## When Service Operates

Monday to Saturday, 7:30 a.m. – 6:30 p.m.

Transit in Bella Coola is a shared-ride system. Passengers are picked up and dropped off along the route. Additional evening and Sunday service may be available.

## Door-to-Door Service

If you wish to book a trip, call one day ahead of your travel day. Leave a message with your name and phone number. When booking a trip, provide pick up and drop off locations, time of travel, details of any mobility equipment you use and whether an attendant is travelling with you. Let the office know if you need to cancel a trip. Phone 250-799-0079.

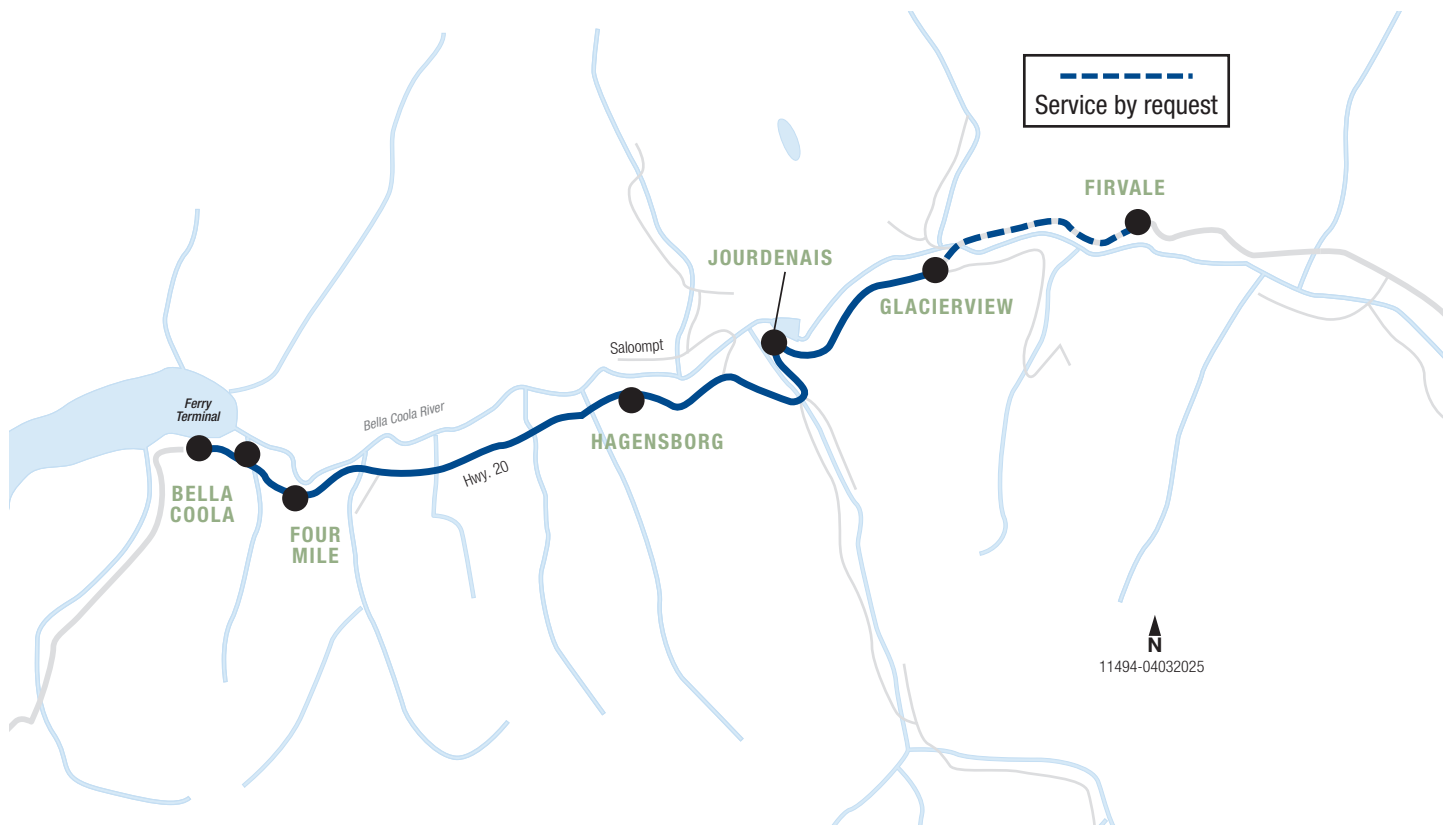

## Attendants

Customers using wheelchairs or scooters may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

## Flagging the Bus

Some rural community systems do not have physical bus stops. In the Bella Coola Transit area, customers can “wave” a bus down on designated roads.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway.
