Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Flagging the Bus

In some rural communities that do not have physical bus stops, customers can "wave" down the bus from a safe location. A safe location is one where visibility is good and where the bus can easily pull off the road.

A driver may not be able to safely stop for you if the posted speed limit exceeds 60 km/hr.

As this service operates primarily on the highway where the posted speed limit exceeds 60km/hr, it is **strongly recommended** that customers use designated bus stops.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Winter and Web Alerts

Winter road conditions may affect the schedule and possibly the routing, particularly within Burns Lake.

For the latest information, check the website for Trip Alerts, found on the Bulkley-Neckako home page and under Alerts.

Riding the Bus

- Seats are for customers, not bags, feet or wet umbrellas. Please allow others to make use of the seats. Hold your bag on your lap or on the floor where it will not obstruct aisles or other customers.
- We appreciate your help in keeping the bus clean. Take your garbage with you when you leave.
- A bus ride is a great time to listen to music, but please be considerate — loud music coming from a headset can bother others.

Transit Tips

Here are some courtesy and safety tips to keep in mind while travelling on the bus.

Always

- ✓ plan to arrive at the bus stop a few minutes early
- ✓ have your correct fare ready before boarding
- ✓ take a seat as soon as possible after boarding
- ✓ hold on while the bus is in motion
- ✓ keep your head, hands and arms inside of the bus
- ✓ remind your driver before you leave the bus if you have to remove your bike from the bike rack
- ✓ hold on to your children, strollers, parcels, luggage and sports equipment
- ✓ assist your children on and off the bus

Never

- ✗ allow your children to stand or kneel on the seat while riding the bus
- ✗ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
- ✗ use offensive or abusive language on the bus

No Smoking

Provincial tobacco laws (*Tobacco and Vapour Products Control Act*) prohibit smoking in bus shelters, on transit vehicles at all times and within 3 metres (10 feet) of the bus.

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/bulkley-nechako/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment. Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold onto your child at all times.

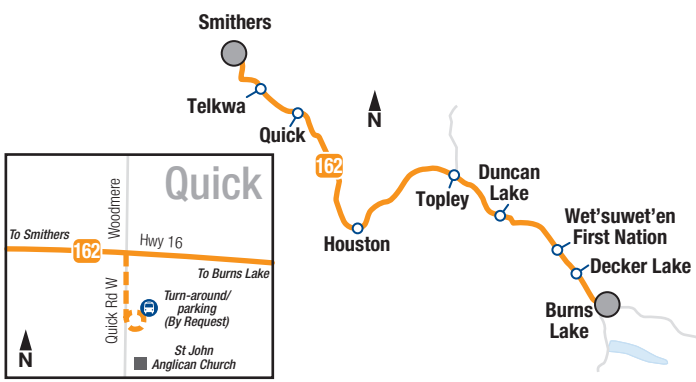

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

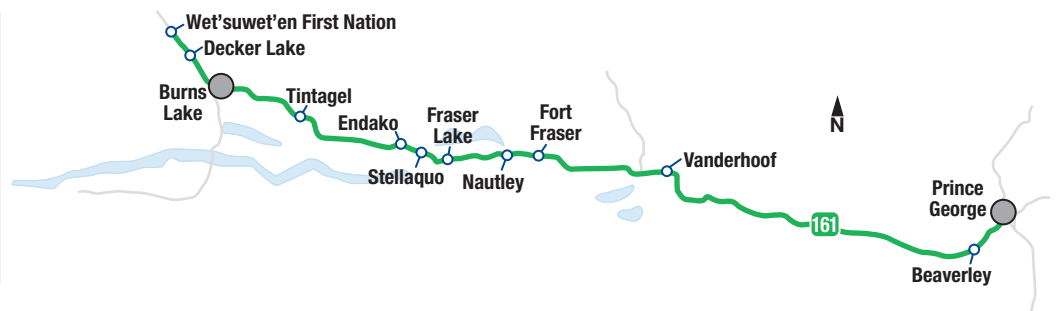

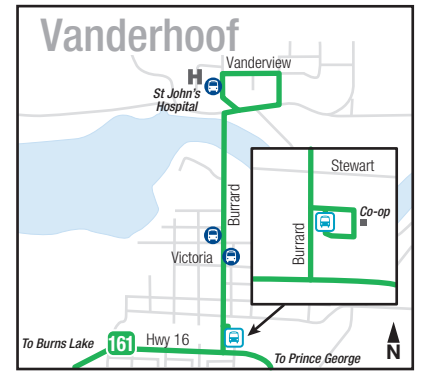

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the *Guide Dog and Service Dog Act* (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.
