Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take fixed-route service. To use this service, you need to register.

About Your Transit System

Funding for your local transit system is cost shared between the City of Abbotsford, the City of Mission and BC Transit.

Funding for the 66 FVX is cost-shared between the Fraser Valley Regional District and BC Transit in partnership with the City of Abbotsford and the City of Chilliwack.

Decisions on fares, routes and service levels are made by the local government based on public feedback and information provided by BC Transit. Buses are operated by Transdev.

Operating costs are met by a combination of farebox revenues and joint local government and provincial funding.

Paying Your Fare

Go with Umo

It's your choice how to use Umo app or card. Buy passes or load a Cash Balance through the app, online at ca.umopass.com, Umo's customer service line at 877-380-8181, or at a vendor location.

Cash Fare

Cash is still accepted on board. Please have the exact fare ready before you board the bus.

Umo Cash Balance

Cash Balance is a new fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

Cash Balance: Effective October 1, 2025, an electronic DayPASS will be applied to a Umo app or card after payment on the second Cash Balance trip of the day.

A Cash Balance can be loaded from \$5.00 and up.

DayPASS

A DayPASS is valid for unlimited local travel within the Central Fraser Valley Transit System the day of purchase. Effective October 1, 2025:

- ▶ An electronic DayPASS will be automatically applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash.

Up to September 30, 2025, a digital DayPASS can continue to be pre-purchased through the app, online at ca.umopass.com, Umo's customer service line at 877.380.8181, or at a vendor location.

Transfers

Effective October 1, 2025, transfers will be discontinued in the Central Fraser Valley Transit System. Products purchased before October 1 will retain their transfer policy until fully utilized. A transfer allows for travel on the next connecting bus within 90 minutes of the original fare payment or product use.

- ▶ If paying with cash, please request a paper transfer from the bus driver at the time of payment and submit the transfer to your next driver upon boarding your second bus.
- ▶ An electronic transfer will be automatically applied to your Umo payment method. Please tap or scan your original Umo payment method on your second bus to continue to travel without incurring an additional charge.

Transfer and DayPASS fare products are not issued or valid on the 66 FVX.

ProPASS (Effective October 1, 2025)

The ProPASS program is available to employers in the Central Fraser Valley Region. Organizations enrolled in the program offer employees the ability to purchase a discounted bus pass through payroll deductions for a minimum one-year commitment. To take part in this program, contact your payroll administrator to see if your organization is enrolled. For more information contact propass@bctransit.com or 250-995-5682.

Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Kids Aged 13 & 14 Ride Free

Between 6:00 p.m. Friday and the end of service on Sunday, adult passengers can bring two children up to the age of 14 on board a transit bus for free.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

BC Bus Pass is accepted on the 66 FVX.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Riding the Bus

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Bike racks on community buses can **only be used during daylight hours**. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Signal Your Bus

Some bus stops are used by multiple bus routes, so help your driver by signalling as the bus approaches. Buses **do not** automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

No Smoking

Provincial tobacco laws (*Tobacco and Vapour Products Control Act*) prohibit smoking in bus shelters, on transit vehicles at all times and within 3 metres (10 feet) of the bus.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Clothing

For safety reasons, shirts and footwear must be worn to board the bus or the driver will refuse service. If you are coming from the beach or pool, please make sure your clothes are dry when boarding.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety. BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.

Accessible Transit

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

handyDART

handyDART is a door-to-door, shared transit service for people unable to take fixed-route transit.

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.
