## How to Ride

### Bikes and Scooters

Most bikes can be accommodated on BC Transit buses. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric and gas-powered bikes cannot be transported on the bike racks for safety reasons.

Bike racks on community buses can only be used during daylight hours because the bikes block the headlights.

Visit *Rider Info* at [bctransit.com](http://bctransit.com) for an instructional video.

### Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

### Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

# Safety

## The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

## Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip or use a flashlight or the light from your mobile phone to signal the driver that you are at the stop.

## Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

# Accessibility

## Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers that use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

## Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

## handyDART

handyDART is a door-to-door, shared transit service for people unable to take fixed-route transit.

handyDART operates seven days a week:

Monday to Friday: 7:30 a.m. – 6:30 p.m.

Saturday and Sunday: 9:00 a.m. – 5:00 p.m.

Holidays: Sunday Service Levels

Customers must first register. Registration is free.

handyDART fares for a one-way trip is \$2.00 for One Zone and \$2.75 for Two Zones.

Call 604-795-5121 for more information or visit [bctransit.com](http://bctransit.com), under Chilliwack, handyDART.

## Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

## Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. These stops are identified by a white and blue decal featuring the International Symbol of Access. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 604-795-3838.

## Flagging the Bus – Agassiz-Harrison Transit only

Agassiz-Harrison customers can “wave” a bus down on rural roads from a safe location. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway. The driver may not be able to safely stop for you if the posted speed limit exceeds 60 km/hr.

Due to safety considerations, flag stops are not permitted on Highway 9 between Yale Road East and the turnoff to Kent.
