Comox Valley Regional Transit

RIDER'S GUIDE

Effective June 29, 2026

 **Comox Valley**
REGIONAL DISTRICT

 **BCTransit**

Welcome Aboard

Your local transit system runs seven days a week. Buses serve the City of Courtenay, the Town of Comox, the Village of Cumberland and Electoral Areas A, B and C.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

On-Request service – curb-to-curb service in specified areas including Union Bay, Cape Lazo, Point Holmes, Merville and Huband Road/Seal Bay.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service.

About Your Transit System

Funding for your local transit system is cost shared between the Comox Valley Regional District and BC Transit.

Decisions on fares, routes and service levels are made by the regional district board, based on public feedback and information provided by BC Transit. Buses are operated by Keolis Canada.

Operating costs are met by a combination of farebox revenues and joint regional district and provincial funding.

A DayPASS is valid for unlimited travel within the local transit system the day of purchase.

- ▶ An electronic DayPASS will be applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash.

Fare Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable. For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Student Pass Policy

To purchase a Student ("Concession") 30-Day Pass and Semester Pass, the following criteria must be met:

- a. Student is in full-time attendance, defined as 20 hours per week, for a minimum of 3 months

- b. The educational institution is located within the Comox Valley transit service area
- c. The educational institution holds a vendor agreement with the Comox Valley Regional District and is responsible for selling passes to eligible students

Riding the Bus

Bike Racks

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell carriers) must be small enough to fit on the owner's lap.

Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the *Guide Dog and Service Dog Act* (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Flagging the Bus

Some rural community systems do not have physical bus stops. In these communities, customers “wave” a bus down on designated roads.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway.

The driver may not be able to safely stop for you if the posted speed limit exceeds 60 km/hr.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Accessibility

All service offered by Comox Valley Transit is accessible to people with disabilities. However, not all stops along each route have been converted to accommodate all mobility aids. For information about specific bus stops, or about boarding with a wheelchair, walker or scooter, call **250-339-5453**.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you are feeling unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Do not stand in the doorways. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.
