**Interregional Service** is designed for customers traveling from the Cowichan Valley to Nanaimo or Victoria.

Routes 66 CVX Cowichan – Victoria Express and 99 SVX Shawnigan Lake – Victoria Express are funded by the CVRD, the Victoria Regional Transit Commission and BC Transit. ## Paying Your Fare

### Go with Umo

It's your choice how to use Umo app or card. Buy passes or load cash through the app, online at [ca.umopass.com](http://ca.umopass.com), Umo's customer service line at 877-380-8181, or at a vendor location.

### Cash Fare

Cash is still accepted on board. Please have the exact fare ready before you board the bus.

### DayPASS

A DayPASS is valid for unlimited travel within the local transit system the day of purchase. Not valid on routes 66, 70 or 99.

- ▶ An electronic DayPASS will be applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash.

### Cash Balance

Cash Balance is a new fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

A Cash Balance can be loaded from \$5.00 and up. An electronic DayPASS will be applied to a Umo app or card after payment on the second Cash Balance trip of the day.

### Free Transit for Children 12 and Under

Children aged 6 to 12 ride fixed-route, interregional routes, and handyDART buses for free, without requiring a fare product or identification.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older and may ride for free. Children must board and depart at the same stop as the attendant.

### Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit [www.gov.bc.ca/buspassprogram](http://www.gov.bc.ca/buspassprogram) or call 1-866-866-0800.

## Post-Secondary Students

Adult students in full-time attendance at a recognized post-secondary school can travel with a Concession 30-Day Pass or four-month Semester Pass. The Post-Secondary Semester Pass is only available at Cowichan Valley Regional District Office.

## Riding the Bus

### Courtesy Seating

Although BC Transit serves everyone on a first-to-board basis, courtesy seating is considered to be the front accessible area of the bus. Courtesy seating meets the needs of all transit customers, and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids,
- customers with a disability or mobility issue, and
- customers with baby strollers.

Your mobility aid must not exceed 2 feet by 4 feet. If your mobility aid is larger, please contact the local transit office. Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

### Baby Strollers

As a parent or guardian you must hold on to the stroller at all times. Position the stroller with the brakes set. Keep your stroller clear of the aisles. The aisle is the width of the distance between the normal seats, not the width of the accessible area.

Strollers should be collapsible. When wheelchair positions are occupied or required by another passenger using a wheelchair or scooter, you may fold the stroller and move to another available seat, storing the stroller between the seats.

### Bike Racks

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. For safety reasons, bikes including toddler bikes/wagons cannot be transported inside the bus.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night. Visit *Rider Info* at [bctransit.com](http://bctransit.com) for an instructional video.

## Electric Bikes

Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

## Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the *Guide Dog and Service Dog Act* (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

## Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

## Bus Stops in Rural Areas

In rural areas with no designated bus stops, the bus driver will stop for "flag stops". When you want to flag the bus, find a safe location along the route and wave at the bus.

A safe location is one where the bus driver can see you and where the bus can easily pull off the road, such as a postal box area.

This works the same for getting off the bus. Ask the driver to find a safe place to stop close to where you wish to get off.

Interregional Services do not make flag stops.

For more information call Transit Info at 250-746-9899.
