

# Campbell River Transit System

## SERVICE CHANGE SUMMARY

Effective August 28, 2017

Service changes and 1,500 annual hours of additional service are being used to:

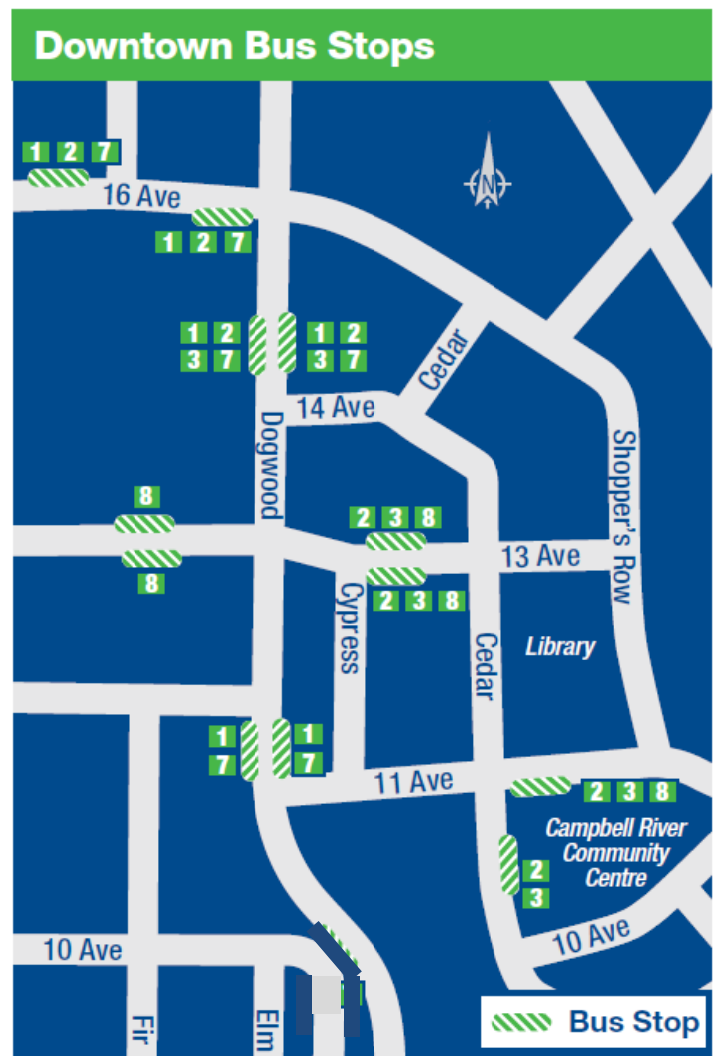

- Improve transit service at peak hours
- Increase frequency of service
- Improve route directness - making transit a more attractive choice for area residents who currently drive while still serving existing customers

Also New:

- Transfers from one route to another \*anywhere\* in the system
- Two new hubs at Campbellton and at Willow Point
- Two additional buses
- Downtown Bus Stop Map

Revised transit routes:

- Route 1 has two-way service travelling on Dogwood and 16<sup>th</sup> (from Willow Point to past Campbell River Commons) – every 20 minutes at peak times
- Route 2 has two-way service travelling on Alder and 16<sup>th</sup> (from Willow Point to past Campbell River Commons)
- Route 3 has two-way service travelling on the South Island Highway and 16th (from Willow Point to Discovery Mall)
- Route 4 starts and ends in Campbellton
  - circulates through north Campbell River
  - interlined with (becomes) Route 7 at Campbellton
- Route 6 Oyster River has two-way service travelling on the South Island Highway from Oyster River to Willow Point
  - interlined with (becomes) Routes 1, 2 and 3 for on-going trips to downtown and beyond
- Route 7 – starts and ends at Campbellton,
  - circulates through Petersen, Rockland, NI College, Hospital and Discovery Mall
  - interlined with (becomes) Route 4 at Campbellton
- Route 15 – significantly extension: now travels through Ironwood and 9<sup>th</sup>, to downtown, Rockland and to NI College and Timberline High School
- Route 16 – No change

BC Transit staff will be on the ground on August 28 & 29 at the Campbell River Community Centre and other key locations to assist transit passengers in learning how to use the new routes and schedule
