## Welcome Aboard

Funding for Prince Rupert and Port Edward Transit is cost shared between the City of Prince Rupert, the District of Port Edward and BC Transit.

Decisions on fares, routes and service levels are made by the Prince Rupert and Port Edward Councils based on information and planning provided by BC Transit. Buses are operated by PWTransit Canada.

### About Your Transit System

## Pass Programs

### Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit [www.buspass.gov.bc.ca](http://www.buspass.gov.bc.ca) or call 1-866-866-0800.

## Prince Rupert and Port Edward Transfer Policies

Often passengers need to use two or more buses to reach their destination. Transfers are free, however, please remember the following transfer policies:

- A transfer is valid on the date of issue and until the time indicated by the cutoff.
- On route 60 Port Edward, transfers will only be distributed upon request when traveling Northbound towards Prince Rupert, for those wishing to transfer onto a Prince Rupert route.
- Transfers are not accepted on route 60 Port Edward when travelling South from Prince Rupert routes. Instead, the route 60 Port Edward fare must be paid.

## Riding the Bus

### Priority Seating

Although BC Transit serves everyone on a first-to-board basis, priority seating is considered to be the front accessible area of the bus. Priority seating meets the needs of all transit customers, and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids,
- customers with a disability or mobility issue, and
- customers with baby strollers.

Please be courteous and offer your seat.

### Baby Strollers

As a parent or guardian you must hold on to the stroller at all times. Position the stroller with the brakes set. Keep your stroller clear of the aisles. The aisle is the width of the distance between the normal seats, not the width of the accessible area.

Strollers should be collapsible. When wheelchair positions are occupied or required by another passenger using a wheelchair or scooter, you may fold the stroller and move to another available seat, storing the stroller between the seats.

### Bike Racks

Bike racks are designed to assist longer commutes. Instructions are posted on the bike racks.

### Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

### Guide Dogs and Service Dogs

Guide and Service dogs that are certified by the government of British Columbia are allowed on public transit at all times. This does not include emotional support or therapy dogs. If you're using a guide or service dog while travelling on one of BC Transit's services, the animal must wear its harness or leash. You may be asked to produce your BC Guide Dog and Service Dog Certificate. For more information, visit [bctransit.com](http://bctransit.com).

## Accessible Transit

All buses in Prince Rupert and Port Edward are accessible.

### Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB passholders may travel with an attendant. Please let your transit driver know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus.
