Welcome Aboard

Your local transit system runs seven days a week.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service.

About Your Transit System

Funding for your local transit system is cost shared between the City of Kamloops, Tk'emlúps te Secwépemc and BC Transit.

Decisions on fares, routes and service levels are made by Kamloops City Council based on public feedback and information provided by BC Transit. Buses are operated by Transdev Canada. For more information on the operating company, visit www.transdev.ca.

Operating costs are met by a combination of farebox revenues and joint municipal and provincial funding.

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/kamloops/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer. Electric scooters are allowed on board if they can be folded and stored between the seats or held.

Bike Locker Rentals at Transit Exchanges

Rent a bike locker at the Lansdowne Village Transit Exchange or the North Shore Transit Exchange. For just \$10 per month (+ tax) residents can have secure storage of their bicycles and related gear. A \$50 refundable deposit is required at time of application. Call 250-828-3409 for more details and to check availability.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Transit Signal

Some bus stops are used by multiple bus routes. When your bus is approaching, let the driver know you want that bus by stepping forward and signaling. Buses do not automatically stop at all bus stops. At major bus stops, more than one bus may arrive at the same time. Please walk to your bus. While at your stop, wait until the bus comes to a complete stop before approaching the doors.

No Smoking

Provincial and Federal laws (*Tobacco and Vapour Products Control Act* and *Cannabis Control and Licensing Act*) prohibit smoking and vaping in bus shelters and on transit vehicles at all times and within 3 metres (10 feet) of the bus. Use of electronic cigarettes are not permitted on transit vehicles or on property controlled by BC Transit.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus. Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Bus Stops

BC Transit bus stops vary according to customer use. It may have a shelter, a bench, or simply a bus stop sign. Some signs will list the routes that use the bus stop.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.
