Welcome Aboard

Your local transit system runs seven days a week. Buses serve all areas of the Central Okanagan including Kelowna, West Kelowna, Westbank First Nation, Lake Country and Peachland. Connecting service to Vernon is available through the Vernon Regional Transit System. Connecting service to Penticton is available through the South Okanagan-Similkameen Transit System.

- Fixed-route service** – scheduled service to major destinations and residential areas. Low floor buses make it easy for everyone to get on and off the bus.
- OnDemand service** - bus schedules are determined by passengers through an online booking system (or by phone), offering more direct trips, quicker commutes, and shorter wait times for customers.
- handyDART** – door-to-door service for people who cannot use the fixed-route service because of a disability.

About Your Transit System

Funding for your local transit system is cost shared between the City of Kelowna, City of West Kelowna, District of Lake Country, Westbank First Nation, District of Peachland, Regional District of Central Okanagan and BC Transit.

Decisions on fares, routes, and service levels are made by the municipal councils and Regional District of Central Okanagan Board, based on information and planning provided by BC Transit. Buses are operated by Transdev Ltd.

Operating costs are met by a combination of farebox revenues and local governments and provincial funding.

Paying Your Fare

Contactless Payment Method

Interac, Visa, Mastercard, and American Express cards are accepted. Cards linked to mobile wallets are also accepted.

Go with Umo

If you travel frequently, we recommend purchasing fare products with Umo app or card to save money. It's your choice how to use Umo app or card. Buy passes or load a Cash Balance through the app, online at ca.umopass.com, Umo's customer service line at 877-380-8181, or at a vendor location.

Cash Fare

Cash is still accepted on board. Please have the exact fare ready before you board the bus.

Umo Cash Balance

Cash Balance is a fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

A Cash Balance can be loaded from \$5.00 and up.

DayPASS

A DayPASS is valid for unlimited local travel within the Kelowna Regional Transit System the day of purchase.

- ▶ If paying with cash, request a DayPASS from the transit driver and deposit the exact change into the farebox.
- ▶ If using a contactless payment method, Umo app, or Umo card, a digital DayPASS will be automatically applied to the same payment method after your second payment of the day.

Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Post-Secondary Students

Adult students in full-time attendance at a recognized post-secondary school can travel on a Post-Secondary 30-Day Pass or Semester Pass (4 months). For more information on where to purchase Post-Secondary passes, visit bctransit.com or refer to the Fares and Passes Outlets section in the rider's guide.

UBCO U-PASS is accepted on 90 UBCO/Vernon and is also valid on Kelowna and Vernon local routes. The semester fee is mandatory. For more information, students should consult their student union representatives or visit suo.ca/u-pass/

ProPASS

ProPASS is a discounted transit pass program for workplaces. When five or more employees sign up for ProPASS, your business or workplace is eligible for a 15% discount on transit passes. Visit bctransit.com/kelowna/fares/propass, email propass@bctransit.com, or call 250-995-5682 to learn more.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

CNIB Pass

The CNIB National Identification Card is valid for unlimited travel on all scheduled fixed-route services (excluding handyDART). The pass is available to medically blind individuals as determined by the CNIB criteria. Visit cnib.ca for more information.

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes with lithium batteries which fit into the bike rack and weigh less than 25 kg (55 lbs) are permitted as long as the battery is removed and brought on board the bus. No other electric or gas powered bikes are permitted due to safety reasons.

Bike racks on community buses can only be used during daylight hours, 30 minutes prior to sunset and 30 minutes after sunrise, as bikes can block the headlights.

Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification;* however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

OnDemand

When booking a trip, customers will be advised of their pick-up options and estimated time of arrival (ETA) of their ride. Customers using the OnDemand App will receive reminders when their OnDemand vehicle is 15 minutes and 5 minutes away. Customers should be ready and waiting at their pick-up location by the indicated ETA. The OnDemand vehicle operator will wait up to 3 minutes after arrival before departing to serve other scheduled customers.

There are two ways to book your trips:

- ▶ Download the BC Transit OnDemand app on the Apple App Store or Google Play Store. The OnDemand vehicle can be tracked in real-time on the app.
- ▶ Call customer service at 1-855-995-5872 to book your trip or for support.

Park & Ride

Park & Ride lots offer BC Transit Customer Parking at:

- Rutland Exchange (1008 Shepard Road). Park at the designated stalls and register via Paybyphone following the information on-site.
- Lake Country's Beasley Park (3550 Woodsdale Road)

Signal Your Bus

Some bus stops are used by multiple bus routes. When your bus is approaching, let the driver know you want that bus by stepping forward and signaling. Buses do not automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

No Smoking

Provincial tobacco laws (*Tobacco and Vapour Products Control Act*) prohibit smoking in bus shelters, on transit vehicles at all times and within 3 metres (10 feet) of the bus.

Clothing

For safety reasons, shirts and footwear must be worn to board the bus or the driver will refuse service.

If you are coming from the beach or pool, please make sure your clothes are dry when boarding.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

Bus Stops

Transit stops vary according to land use and customer use. Stops may have a shelter, a bench or simply a bus stop sign. Some signs will list the routes that use the bus stop and includes the bus Stop ID number.

Additional Service

From September to June additional buses are added to alleviate over-crowding. For more information, contact 250-860-8121.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

After dark, customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions. This service is available after dark on all routes except buses travelling on Highway 97.

Central Okanagan Crime Stoppers

Graffiti removal on buses and at exchanges has a cost impact on transit service. Central Okanagan Crime Stoppers pays cash rewards of up to \$2000 for information leading to an arrest in any unsolved crime, including graffiti. Remain anonymous and help your transit system by reporting vandals at 1-800-222-8477.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free with a *Companion Pass* and must display this pass to the driver. Attendants must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened. Requests for Companion Passes can be directed to the City of Kelowna, Integrated Transportation Department at tranmgmt@kelowna.ca.

Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. These stops are identified by a decal featuring the International Symbol of Access. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 250-860-8121.

handyDART

handyDART is a door-to-door, shared-ride transit service for people unable to take fixed-route transit some or all of the time.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you are feeling unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

B Community Bus: bike rack use limited to daylight hours only.							

Put your wheels on the bus in 3 easy steps

- 1. When the bus is stopped, let the driver know you want to use the bike rack.
- 2. Lower the bike rack and lift your bike into the wheel slots, with the front tire nearest to the support arm.
- 3. Raise the support arm as high as you can over the front wheel to lock your bike in place. Don't forget to remove all loose items from your bike, including water bottles.

If it's your first time loading your bike onto a transit bus rack, feel free to ask your driver for assistance.
