Updated June 29, 2026

City of Powell River
qathet Regional District

Welcome Aboard

Fixed-route service – provides scheduled service to major destinations and residential areas in Powell River. Low-floor buses make it easy for everyone to get on and off the bus.

Rural Transit – provides fully accessible bus service for people living outside the fixed-route transit service area, including Stillwater, Texada Island, Saltery Bay and Lund. On Request Service is available for pick-up and drop-off. More details on the On Request Service section of the Rider's Guide.

OnDemand service - bus schedules are determined by passengers through an online booking system (or by phone), offering more direct trips, quicker commutes, and shorter wait times for customers.

handyDART – is door-to-door, shared service for people who are unable to take the fixed-route service within the municipal boundaries of Powell River.

About Your Transit System

Funding for your transit system is cost shared between the City of Powell River, the qathet Regional District and BC Transit.

Decisions on fares, routes and service levels are made by City Council and the Regional District Board based on public feedback and information provided by BC Transit. City of Powell River operates Fixed route, Rural Transit and handyDART.

Operating costs are met by a combination of farebox revenues and joint local government and provincial funding.
