

INSTRUCTIONS

Introduction

BC Transit operates under the *British Columbia Transit Act*, which provides it with a mandate to plan, implement, maintain and operate public transportation systems across British Columbia, excluding Metro Vancouver.

handyDART is a shared ride, door-to-door service for people with physical or cognitive disability, permanent or temporary, that prevents them from riding accessible, fixed route service, some or at all of the time.

The Custom Registration Program was introduced in 2015 to modernize the eligibility process based on the rider's functional ability to use the fixed route service, regardless of diagnosis, age, or mobility device. BC Transit works with contracted Mobility Specialists who are trained on public transit service options to provide professional assessments leading to a recommendation for an individual's eligibility criteria for handyDART.

Application

- Ensure the application form is fully completed, signed and dated. If a person with the Power of Attorney for the applicant is involved in the application process, please provide a non-certified copy of the Power of Attorney letter with the application form.
- If you hold a BC Persons with Disabilities (PWD) Designation, please include your the "Confirmation of Disability Assistance" as a supporting document to this application form. This document can be requested from any Ministry of Social Development & Poverty Reduction office, or by logging into <https://myselfserve.gov.bc.ca/>
- If you hold a PWD Designation, you will automatically receive unconditional eligibility. Depending on your needs, you may still be asked to attend a level of care assessment to help determine the support required to safely utilize handyDART service.
- Upon receiving the application form, the Mobility Specialist clinic will contact you within ten (10) working days to make an appointment for the assessment. You will be given the option of using the handyDART service to go to and from the assessment centre, free of charge.
- The outcome of the assessment will be mailed to your mailing address within three (3) working days.

Reminders for your appointment

- Please come dressed for the weather, including good footwear, and expect to be walking outdoors.
- If you use a mobility device, please bring the device that you usually use when going outdoors.
- You are encouraged to bring a family member, social worker or a friend who is familiar with your conditions. Please inform us if you are bringing someone with you.
- If you missed the call from the Mobility Specialist clinic, please call back as soon as possible. The clinic will attempt to call you twice over a period of two weeks. If they do not hear back from you, a letter will be sent advising you to contact them. If there is no response after two weeks from the date of the letter, your application will be considered withdrawn.
- We require a 24-hour notice if you need to cancel your appointment, except in case of a verified emergency. If you miss or cancel two appointments, your application will be closed. You will be able to apply again after 90 days.

Eligibility Types

- **Unconditional eligibility** – Allows for the use of handyDART services all year round with no restrictions. This eligibility is valid for three (3) years, and can be renewed indefinitely.
- **Conditional eligibility** – Allows for the use of handyDART services if specific weather or physical conditions of the travel route are met or if a specific destination is required. The conditions are determined by the Mobility Specialist during the assessment. This eligibility is valid for three (3) years, and can be renewed indefinitely.
- **Temporary eligibility** – Allows for the use of handyDART services for a limited period of time, which can be extended until the rider has fully recovered.

Appeals

If you do not agree with the outcome of the assessment, you have the right to appeal the determination within 90 days from the date of the outcome letter.
