Welcome Aboard

Your local transit system runs seven days a week. Buses serve most regions of Prince George including Estavilla, Hart Highlands, UNBC, CNC, College Heights and Westgate.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service. To use this service you need to register.

About Your Transit System

Funding for your local transit system is cost shared between the City of Prince George and BC Transit.

Decisions on fares, routes and service levels are made by the Prince George City Council based on public feedback and information provided by BC Transit. Buses are operated by Keolis Canada.

Operating costs are met by a combination of farebox revenues and joint local government and provincial funding.

Paying Your Fare

Go with Umo

It's your choice how to use Umo app or card. Buy passes or load a Cash Balance through the app, online at ca.umopass.com, Umo's customer service line at 877-380-8181, or at a vendor location.

Cash Fare

Cash is still accepted on board. Please have the exact fare ready before you board the bus.

Cash Balance

Cash Balance is a new fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

A Cash Balance can be loaded from \$5.00 and up. An electronic DayPASS will be applied to a Umo app or card after payment on the second Cash Balance trip of the day.

DayPASS

A DayPASS is valid for unlimited travel within the local transit system the day of purchase.

- ▶ An electronic DayPASS will be applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash or two tickets.

Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

ProPASS

The ProPASS program is available to major employers in the Prince George region. Companies enrolled in the ProPASS program can offer employees a bus pass through payroll deduction for a minimum of one year. If you want to see this program considered for your place of work, discuss it with your employer or call the City of Prince George 250-561-7600 (or 311 inside city limits).

Semester Pass

A Semester Pass provides middle and high-school students a long-term fare product at a discounted price. Student Semester Passes are date bound and align with school terms.

Passes can be loaded to a student's Umo Mobility app or a reloadable Umo card online, through the phone or in-person at the point of purchase.

Post-Secondary Students and U-PASS

U-PASS gives all CNC and UNBC students unlimited access on all Prince George Transit routes. U-PASS holders have free use of the public swim times at the Prince George Aquatic Centre and Canfor Leisure Pool. The semester fee is mandatory. For more information, students should consult their student society representatives.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Riding the Bus

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses. Only two bikes can be transported on any one bus at a time. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night.

Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the *Guide Dog and Service Dog Act (GDSDA)* and the BC Human Rights Code. You will not be asked to provide GDSDA certification; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Signal Your Bus

Some bus stops are used by multiple bus routes, so help your bus driver when waiting at the stop by waving as the bus approaches your stop. During the evening and at night, use the flashlight on your phone to help the driver see you at your stop. Buses do not automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

Tight Transfers

Customers who are hoping to make a tight connection between one bus and another are encouraged to ask their driver to contact the connecting bus.

No Smoking

The City of Prince George Smoke and Vape Free Places Bylaw No. 8591, 2016 prohibits smoking and vaping in bus shelters, on transit vehicles at all times and within 6 metres of the bus.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers. Hold your hockey sticks, snow boards, skis and poles (tips down) in front of you.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

Request-a-Stop service is available after 7:00 p.m. on all buses. Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold onto your child at all times.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.
