Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

Welcome Aboard

Your local transit system runs seven days a week. Buses serve Revelstoke.

Fixed-route service – scheduled service to major destinations and residential areas.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service.

taxiDART – handyDART service delivered via a taxi.

About Your Transit System

Funding for your local transit system is cost shared between the City of Revelstoke and BC Transit.

Decisions on fares, routes and service levels are made by the City Council based on public feedback and information provided by BC Transit. Buses are operated by Revelstoke Transfers.

Operating costs are met by a combination of farebox revenues, joint municipal and provincial funding.
