

Welcome Aboard

Your local transit system runs seven days a week. Buses serve the Ganges area with service to Fulford Harbour, Vesuvius, Long Harbour, Fernwood and Walker's Hook.

Salt Spring Island Transit provides fixed-route service only, providing scheduled service to major destinations and residential areas.

About Your Transit System

Funding for your local transit system is cost-shared between the Capital Regional District (CRD) and BC Transit

Decisions on fares, routes and service levels are made by the CRD's Salt Spring Island Local Community Commission (LCC) based on public feedback and information provided by BC Transit. Buses are operated by Salt Spring Transit.

Operating costs are covered by a combination of farebox revenue, local taxation, and provincial funding.

Pass Programs

Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/salt-spring-island/riderinfo/.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and

the battery (lithium only) is removed from the bike and brought on board the bus with the customer. Electric scooters are allowed on board if they can be folded and stored between the seats or held.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Flagging the Bus

Some rural areas do not have physical bus stops. In these areas, customers "wave" a bus down on designated roads.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway. The same guidelines apply getting off the bus. Ask the driver to find a safe place to stop, close to where you want to get off.

The driver may not be able to safely stop for you if the posted speed limit exceeds 60 km/hr.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Transit Tips

Here are some courtesy and safety tips to keep in mind while travelling on the bus.

Always

- ✓ plan to arrive at the bus stop a few minutes early
- ✓ have your correct fare ready before boarding
- ✓ take a seat as soon as possible after boarding

Never

- ✗ stand in the street or sit on the curb when the bus approaches
- ✗ run after or hit the side of a moving bus
- ✗ allow your children to stand or kneel on the seat while riding the bus
- ✗ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
