RIDER'S GUIDE

Effective June 10, 2024

Welcome Aboard

Your local transit system runs seven days a week. Buses serve the Squamish area.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor, wheelchair accessible buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service, available on weekdays.

About Your Transit System

Funding for your local transit system is cost shared between the District of Squamish and BC Transit. Decisions on fares, routes and service levels are made by the District of Squamish based on public feedback and information provided by BC Transit. Buses are operated by Diversified Transportation Ltd.

Operating costs are met by a combination of farebox revenues and joint local and provincial funding.

Riding the Bus

Bike Racks

Most bikes can be accommodated on BC Transit buses. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike.

Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification; however, when coming on board with a guide dog or service dog, the dog must be on leash or wearing a harness* and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers. Hold your hockey sticks, snow boards, skis and poles (tips down) in front of you.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Free Summer Weekend Service

From June 10 to September 2, 2024

The District of Squamish and BC Transit are offering complimentary service on all routes Saturdays, Sundays and statutory holidays until September 2.

Request-a-Stop

When it is dark, customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times.

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

Transit Tips

Here are some courtesy and safety tips to keep in mind while travelling on the bus.

Always

- ✓ plan to arrive at the bus stop a few minutes early
- ✓ have your correct fare ready before boarding
- ✓ take a seat as soon as possible after boarding
- ✓ hold on while the bus is in motion
- ✓ be a good neighbour – yelling or loud music on the bus can be distracting for the driver and other passengers

Never

- ✗ stand in the street or sit on the curb when the bus approaches
- ✗ run after or hit the side of a moving bus
- ✗ allow your children to stand or kneel on the seat while riding the bus
- ✗ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
- ✗ use offensive or abusive language on the bus

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- When the bus is full, please move to the back of the bus to accommodate as many passengers as possible.
- Do not stand in the doorways. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.
