Welcome Aboard

Buses serve most areas of Vernon, Coldstream and also serve Enderby, Armstrong, Spallumcheen, Lumby and Electoral Areas B, D and F. Route 90 connects Lake Country, UBC Okanagan and Kelowna International Airport.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

Community Bus – fixed-route service for residents in Enderby, Armstrong, Spallumcheen, Lavington, Whitevale and Lumby.

handyDART – door-to-door, shared service for eligible residents in Vernon, Coldstream and Electoral Areas B and C who are unable to take the fixed-route service.

About Your Transit System

Funding for your local transit system is cost shared between the City of Vernon, the District of Coldstream, the Regional District of North Okanagan and BC Transit in partnership with the City of Enderby, the City of Armstrong, the Township of Spallumcheen, the Village of Lumby and Electoral Areas B, C, D and F.

Decisions on fares, routes and service levels are made by the councils and regional board based on public feedback and information provided by BC Transit. Buses are operated by Transdev Canada.

Operating costs are met by a combination of farebox revenues and joint local government and provincial funding.

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night.

Visit Rider Info at bctransit.com for an instructional video.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification;* however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles. Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions. This service is available after dark on all buses.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers.

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times.

When wheelchair positions are occupied or required by another customer, please store your folded stroller between seats. Hold on to your child at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- When the bus is full, please move to the back of the bus to accommodate as many passengers as possible.
- Do not stand in the doorways. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

Flagging the Bus (60 Enderby and 61 Lumby)

Some rural community systems do not have physical bus stops. In these communities – Armstrong, Enderby and Lumby – customers can “wave” a bus down on designated roads.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway.

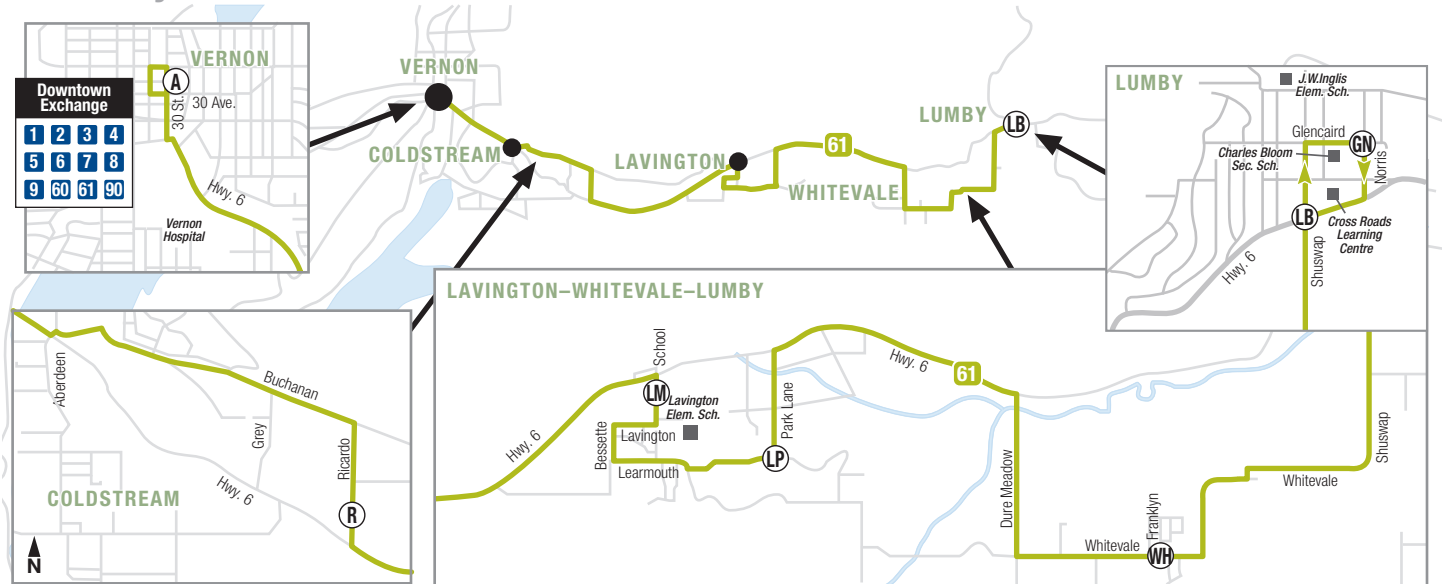

The driver may not be able to safely stop for you if the posted speed limit exceeds 60 km/hr.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.
