Welcome Aboard

Victoria Regional Transit runs seven days a week. Buses serve the Victoria region including all ferry terminals (Sidney, Swartz Bay, Brentwood Bay, Ogden Point and downtown). There are over 50 routes with service from Sooke to North Saanich.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service.

About Your Transit System

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/victoria/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer. Electric scooters are allowed on board if they can be folded and stored between the seats or held.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification;* however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness and not occupy a seat**. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles.

Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle. All guide dogs and service dogs should:

- Not have disruptive behaviour toward the operator or other customers.
- Not disrupt the safe operation of the bus.
- Not pose a risk to others or damage property inside the vehicle.
- Not be allowed to roam freely in the vehicle.
- Not urinate or defecate on the vehicle.

No Smoking

Provincial and federal laws (*Tobacco and Vapour Products Control Act* and *Cannabis Control and Licensing Act*) prohibit smoking and vaping in bus shelters and on transit vehicles at all times. *CRD Bylaw 3962* prohibits smoking and vaping within 7 metres (23 feet), and smoking or vaping cannabis within 6 metres (19.6 feet) of the bus stop sign.

Use of any smoking or vaping device is not permitted on transit vehicles or on property controlled by BC Transit.

Clothing

For safety reasons, shirts and footwear must be worn to board the bus or the operator will refuse service. If you are coming from the beach or pool, please make sure your clothes are dry when boarding.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Bus Stops

BC Transit bus stops vary according to customer use. It may have a shelter, a bench, or simply a bus stop sign. Some signs list the routes that use the bus stop. Many bus stops have information signs listing the estimated departure times of bus routes serving that bus stop.

Route Names

Bus routes are named according to the destination of the route. For example, the **14 UVic** or **2 South Oak Bay**. A letter may also appear with the destination name on the bus. The letter lets you know that the routing is different from the regular routing and may be the express (X) or night (N) route.

Safety

The Bus is a Safe Place

Transit operators can contact local police, ambulance and other emergency services. Transit operators are also trained to assist a child or adult in need. Tell the operator if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit operators to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip or use a flashlight or the light from your mobile phone to signal the operator that you are at the stop.

Request-a-Stop

After 7:00 p.m., customers who are concerned about their personal safety can ask their operator to stop between regular bus stops. Ask your transit operator at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility challenge

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact BC Transit safety staff for suitability.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your operator will ensure that the securements are properly fastened.

Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. These stops are identified by a decal featuring the International Symbol of Access. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 250-382-6161.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit operator cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit operator that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your operator about transit service. Please remember that safety is our main priority and lengthy conversations can distract the operator.

On double-deck buses:

- Be on the lower deck before your stop.
- Standing is not permitted upstairs. If you are over 5'8" please remember to duck slightly.
- The upstairs is monitored by camera.

Transit's Frequent Route

The Victoria Regional Transit service is divided into three levels of transit service to show customers the frequency of service.

The **4 UVic / 4 Downtown** is a frequent route that provides 15 minute or better service, 7:00 a.m. to 7:00 p.m., Monday through Friday.

NOTICE TO RIDERS:

Occasionally BC Transit experiences last minute service disruptions that cause the schedule to change on short notice.

For the most up-to-date information, visit **bctransit.com/victoria** or call the customer service team at **250-382-6161**.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you feel unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap, or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you feel unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap, or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/victoria/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer. Electric scooters are allowed on board if they can be folded and stored between the seats or held.

NOTICE TO RIDERS:

Occasionally BC Transit experiences last minute service disruptions that cause the schedule to change on short notice.

For the most up-to-date information, visit **bctransit.com/victoria** or call the customer service team at **250-382-6161**.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit operator cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit operator that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your operator about transit service. Please remember that safety is our main priority and lengthy conversations can distract the operator.

On double-deck buses:

- Be on the lower deck before your stop.
- Standing is not permitted upstairs. If you are over 5'8" please remember to duck slightly.
- The upstairs is monitored by camera.

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at bctransit.com/victoria/riderinfo.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer. Electric scooters are allowed on board if they can be folded and stored between the seats or held.
