About Your Transit System

Funding for West Kootenay Transit is cost shared between the Regional District of Central Kootenay, Regional District of Kootenay Boundary, City of Nelson and BC Transit. Funding for Health Connections service is provided by the Interior Health Authority.

Decisions on fares, routes and service levels are made by local governments based on recommendations by the West Kootenay Transit Committee (made up of local government representatives), based on public feedback and information provided by BC Transit. Buses are operated by the City of Nelson and Keolis Canada.

Operating costs are met by a combination of farebox revenues and joint local and provincial funding.

Paying Your Fare

Contactless Payment Method

Interac, Visa, Mastercard, and American Express cards are accepted. Cards linked to mobile wallets are also accepted.

Go with Umo

If you travel frequently, we recommend purchasing fare products with Umo app or card to save money. Buy passes or load a Cash Balance through the app, online at ca.umopass.com, Umo's customer service line at 1-877-380-8181, or at a vendor location.

Cash Fare

Cash is still accepted on board. Please have the exact fare ready before you board the bus.

Umo Cash Balance

Cash Balance is a fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

A Cash Balance can be loaded from \$5.00 and up.

DayPASS

A pre-purchased DayPASS is valid for one day of unlimited travel within the West Kootenay transit system. Pre-purchase a DayPASS through the Umo app, online at ca.umopass.com, Umo's customer service line at 1-877-380-8181, or at a vendor location.

Transfers

A transfer allows for travel on the next connecting bus within 90 minutes of trip departure without incurring an additional fare.

- ▶ If paying with cash, please request a paper transfer from the bus driver at the time of payment and submit the transfer to your next driver upon boarding your second bus.
- ▶ An electronic transfer will be automatically applied to your Umo or contactless payment method. Please tap or scan the same payment method on your second bus to continue to travel without incurring an additional charge.

Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

Fare Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Secondary and Post-Secondary Students

Students in full-time attendance at a recognized secondary and post-secondary school can travel on a Concession 30-Day Pass or a Semester Pass (4 months).

Selkirk College Connections

The **98 Castlegar/Trail** and the **99 Castlegar/Nelson** are scheduled to meet key class times at Selkirk College campuses in Nelson, Castlegar and Trail.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

How to Ride

Bikes and Scooters

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. Bike racks have space for two bikes. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Bike racks on community buses can **only be used during daylight hours**. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Accessibility

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times.

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

- ✗ run after or hit the side of a moving bus
- ✗ allow your children to stand or kneel on the seat while riding the bus
- ✗ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
