

TAXI SAVER PROGRAM

The Taxi Saver program provides registered handyDART participants with greater convenience for spontaneous travel when handyDART cannot accommodate your travel needs.

HOW IT WORKS

Taxi Saver provides a 50% subsidy towards the cost of taxi rides. Eligible individuals can purchase an \$80.00 package of Taxi Saver coupons at a cost of \$40.00. This package can be purchased once every month.

Denominations of \$1, \$2, and \$5 Taxi Saver Coupons are provided. The purchaser uses the coupons to pay the dollar amount of the meter taxi fare. **Change is not given on Taxi Saver Coupons.** For example, if a taxi fare is \$5.80, the passenger pays \$5.00 in coupons and 80 cents in change.

HOW TO OBTAIN YOUR HANDYPASS

Complete the handyPASS application below and mail it along with two passport-type photos (see photo specifications on the backside of this page) to: **Berry and Smith Trucking Ltd., 301 Warren Ave E., Penticton, BC, V2A 3M1.** Your handyPASS will be mailed to you.

ELIGIBILITY

You need a handyPASS to buy and use Taxi Saver coupons. HandyPASS eligibility is based on a disability which prevents you from using regular public transit. Taxi Saver coupons will be sold only to a registered handyDART participant.

CONDITIONS OF USE

handyPASS is not transferable to other individuals or other transit systems. This pass must be presented to the taxi driver at the time of fare payment. This pass is invalid without the user's photograph or if the handyPASS is altered in any way. The Municipality may cancel or confiscate the handyPASS at anytime for violation of these conditions.
