

Port Alberni Transit

RIDER'S GUIDE

Effective January 8, 2024

Welcome Aboard

Your local transit system runs seven days a week. Buses serve the City of Port Alberni.

Fixed-route service – scheduled service to major destinations and residential areas. Low-floor buses make it easy for everyone to get on and off the bus.

handyDART – door-to-door, shared service for people who are unable to take the fixed-route service.

About Your Transit System

Funding for the Port Alberni Transit system is cost shared between the City of Port Alberni and BC Transit. Funding for the Alberni-Clayoquot handyDART system is cost shared between the Regional District of Alberni-Clayoquot and BC Transit.

Decisions on fares, routes and service levels are made by the City Council and the Regional District Board based on public feedback and information provided by BC Transit. Buses are operated by PW Transit Ltd.

Operating costs are met by a combination of farebox revenues and joint local government and provincial funding.

BUS ready

Children 12 and under ride for free!

Do you know about BusReady?
It's BC Transit's educational program for kids.
Learn more at busready.bctransit.com

Go with Umo

It's your choice how to use Umo app or card. Buy passes or load cash through the app, online at ca.umopass.com, Umo's customer service line at 877-380-8181, or at a vendor location.

Cash Balance

Cash Balance is a new fare product for riders using a Umo payment method. A rider's Umo app or reloadable card can be loaded with a set dollar amount to be drawn from as additional trips are taken.

A Cash Balance can be loaded from \$5.00 and up. An electronic DayPASS will be applied to a Umo app or card after payment on the second Cash Balance trip of the day.

Pass Programs

Fare Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.gov.bc.ca/buspassprogram or call 1-866-866-0800.

DayPASS

A DayPASS is valid for unlimited travel within the local transit system the day of purchase.

- ▶ An electronic DayPASS will be applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash or two tickets.

Riding the Bus

Bike Racks

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Flagging the Bus

Some rural community systems do not have physical bus stops. In these communities, customers "wave" a bus down on designated roads.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway.

The driver may not be able to safely stop for you if the posted speed limit exceeds 60km/hr.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

Guide and service dogs that are certified by the government of British Columbia are allowed on public transit at all times. This does not include emotional support or therapy dogs. If you're using a guide or service dog while travelling on one of BC Transit's services, the animal must wear its harness or leash. You may be asked to produce your BC Guide Dog and Service Dog Certificate. For more information, visit bctransit.com.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the B.C. *Motor Vehicle Act*.

Request-a-Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight, or use the light from your mobile phone to signal the driver that you are at the stop.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers that use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. These stops are identified by a white and blue decal featuring the International Symbol of Access. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 250-723-3341.

handyDART

handyDART is a door-door, shared transit service for people unable to take fixed-route transit.

Customers must first register. Registration is free.

Hours of operation:

Monday to Friday: 8:00 a.m. - 5:00 p.m.

Sunday: 8:30 a.m. - 12:30 p.m.

Saturdays & Holidays: No Service

Office hours: Monday to Friday: 8:00 a.m. - 5:00 p.m.

Booking a Trip:

You can book subscription trips for regular appointments and programs, or one-time trips, such as shopping or social visits. If your plans change, phone as soon as possible so we can schedule a trip for someone else.

Call 250-724-1311 for more information or visit bctransit.com, under Port Alberni, handyDART.

Attendant	free

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.
