## RIDER'S GUIDE

Effective April 23, 2018  
Updated September 2020

District of Kitimat | BCTransit

### Accessible Transit

All buses are accessible. Low-floor buses have no entry steps and are equipped with a ramp. A 'kneeling' feature further lowers the entry level for passengers who have mobility difficulties.

### Bike Racks

Most bikes can be accommodated on BC Transit buses. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike.

Bike racks on community buses can only be used during daylight hours as bikes block the headlights.

Visit *Rider Info* at [bctransit.com](http://bctransit.com) for an instructional video.

### Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit [www.buspass.gov.bc.ca](http://www.buspass.gov.bc.ca) or call 1-866-866-0800.

### Bus Seating Priority

Kitimat Transit and Skeena Regional Transit extend a special thank you to our customers who give up their seats for people with disabilities, mobility challenges, strollers or young children.

### Kitimat handyDART
