# Pass Programs

## Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children aged 5 and under will need to be accompanied by an attendant 12 years or older to ride for free.

Children must board and depart at the same stop as the attendant.

## Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

## Family Travel Program

An adult customer, 19 or older, can bring up to two children (between age 13 and 14 years) on board for free. Children must get on and off at the same stop as the pass-carrying customer. The program is available to parents and guardians who are 19 years and over with a valid Monthly Pass/30-Day Pass, DayPASS, or BC Bus Pass. This program does not apply to cash fares and tickets. Not valid on Interregional Routes.

## DayPASS

A DayPASS is valid for unlimited travel within the local transit system the day of purchase. **Not valid on 70 NCX.**

- ▶ An electronic DayPASS will be applied to a Umo app or card after payment on the second trip of the day.
- ▶ A paper DayPASS can be purchased from the driver with cash or two tickets.

## ProPASS

The ProPASS program is available to major employers in the Regional District of Nanaimo. Companies enrolled in the ProPASS program offer employees a bus pass through payroll deduction. If you want this program considered for your place of work, discuss it with your employer or call 250-390-4531 (Nanaimo) or 250-954-1001 (Parksville/Qualicum).

## Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The annual bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit [www.gov.bc.ca/buspassprogram](http://www.gov.bc.ca/buspassprogram) or call 1-866-866-0800 (Choose option 2, then select further option – OR – Option 2, then stay on the line for an operator).

# How to Ride

## Bike Racks

Most bikes can be accommodated on BC Transit buses when its wheels fit properly in the rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks or found at [bctransit.com/victoria/riderinfo](http://bctransit.com/victoria/riderinfo).

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the operator's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.), and the battery (lithium only) is removed from the bike and brought on board the bus with the customer.

## Pets on Board

Pets are allowed on board transit services, provided they are kept in an appropriate carrier. Follow these rules when travelling with non-guide or non-service dogs:

- Pets must be kept in small, hand-held, fully enclosed carriers that fit in your lap, with no part of the animal exposed.
- Carriers must be clean, odour-free, and with no sharp edges.
- Carriers may be placed on the floor, if they do not impede other passengers. They may not be placed near doors.
- Only one pet per passenger is permitted.
- Dog strollers are not permitted.
- Pets are not allowed on HandyDART. Assistance animals are accepted.
- Please keep in mind that drivers may refuse to allow pets on board, at their discretion. This may be because of a risk to other passengers or because of limited space. We recommend travelling during off-peak times.

## Guide Dogs and Service Dogs

Guide and service dogs that are certified are allowed on public transit at all times. This does not include emotional support or therapy dogs. If you're using a guide or service dog while travelling on one of BC Transit's services, the animal must wear its harness or leash. If the dog is not trained to perform specific tasks to assist a person with a disability and does not meet these standards you will be asked to comply with BC Transit's 'Pets on Board' Policy.

According to the Province of British Columbia, it is reasonable to expect a guide or service dog to be:

- Clean
- Well-groomed
- Free of offensive odours
- Healthy
- Well behaved

It is a *Guide Dog and Service Dog Act* offence to represent a dog as a guide or service dog when it is not. A conviction carries a fine of up to \$3,000.

## Transit Wave

Some bus stops are used by multiple bus routes, so help the bus operator when waiting at the stop by waving as the bus approaches your stop. Buses **do not** automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

## No Smoking

Provincial and Federal laws (*Tobacco and Vapour Products Control Act* and *Cannabis Control and Licensing Act*) prohibit smoking and vaping in bus shelters and on transit vehicles at all times and within 3 metres (10 feet) of the bus. Use of electronic cigarettes are not permitted on transit vehicles or on property controlled by BC Transit.

## Clothing

For safety reasons, shirts and footwear must be worn to board the bus or the operator will refuse service. If you are coming from the beach or pool, please make sure your clothes are dry when boarding.

## Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

## Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

## Bus Stops

Bus stops vary according to customer use. A stop may have a shelter, a bench, or simply a bus stop sign. Some signs will list the routes that use the bus stop.

## Safety

Transit buses are not permitted to carry passengers when they are not in service. Transit operators are not permitted to go off posted transit routes.

## The Bus is a Safe Place

Transit operators can contact local police, ambulance and other emergency services. Transit operators are also trained to assist a child or adult in need. Tell the operator if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

## Be Safe and Be Seen

Sometimes it is difficult for transit operators to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip or use a flashlight or the light from your mobile phone to signal the operator that you are at the stop.

## Request a Stop

Customers who feel that their personal safety is at risk can ask their operator to stop between regular bus stops. Ask your transit operator at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

## Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit operator cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit operator that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your operator about transit service. Please remember that safety is our main concern and lengthy conversations can distract the operator.

## Accessibility

### Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers that use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

### Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer, please store your folded stroller between seats. Hold on to your child at all times during the trip.

If the bus is not a low floor bus, the child must be removed from the stroller, the stroller collapsed and secured between the seats, and the child held on to at all times.

### Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your operator will ensure that the securements are properly fastened.

## handyDART

handyDART is a door-to-door, shared transit service for people unable to take fixed-route transit.

### Courtesy Counts

Thank you for being courteous and respectful of your operator and fellow passengers.

- Stay home when you feel unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

## Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit operator cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit operator that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your operator about transit service. Please remember that safety is our main concern and lengthy conversations can distract the operator.

### Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit operator cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit operator that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your operator about transit service. Please remember that safety is our main concern and lengthy conversations can distract the operator.
