

Saanich Transit Centre Project Update

**Saanich Transit Centre Update –
April 15, 2025**

On-site Drilling Now Complete

Crews are now focused on site surveying and water sampling.

If you're looking for a sign, this is it

New project signage with a QR code for quick access to the website are now up onsite.

New handyDART Centre Officially Open

After 38 years at the Commerce Circle location, handyDART operations will move to the new handyDART Centre in View Royal this month. The official ribbon cutting occurred March 28th, opening BC Transit's first LEED Gold and Salmon Safe certified facility in the province, setting a new standard for environmental sustainability.

Police training is for the dogs

Our vacant buildings and secure site are providing a unique opportunity for regional police units to train members and dog teams in different environments.
