# handyDART User Guide

## Welcome to Victoria Regional handyDART

handyDART is accessible, door-to-door, customized shared transit service for people with permanent or temporary disabilities that prevent them from using fixed-route transit without assistance from another person. handyDART picks you up at your accessible door and drops you off at the accessible door of your destination.

Victoria Regional  
Transit Commission

Victoria Regional Transit offers two types of accessible transit service:

- Fixed-route
- handyDART

**Fixed-route service** includes low floor buses with ramps on fixed-routes and schedules.

Many handyDART customers use a combination of fixed-route and handyDART services depending on their travel needs and destination. Attendants travel free on fixed-route service when you show your handyPASS. Courtesy seating on fixed-route buses is a first-come, first-served area and accommodates scooters, wheelchairs and other mobility aids. If you need more information about using fixed-route service, including the use of a mobility aid, contact your local transit office.

This **handyDART** information will help customers, caregivers and family members become familiar with accessible transit services, and offer travelling tips, safety information and answers to frequently asked questions.

**Community Travel Training** for fixed-route service is for people with disabilities who want to learn how to plan a trip or use a mobility aid on the bus. If you need more information about using fixed-route service, including the use of a mobility aid, contact Community Travel Training at 250-995-5473.

### **handyDART Training**

Example: For a 9:00 a.m. - 9:30 a.m. pick-up window, you should be ready at 9:00 a.m.

handyDART may send a taxi rather than a handyDART vehicle. If this happens, you pay a regular handyDART fare. You are not required to pay the fare on the meter nor tip the driver.

## Customer Responsibilities

You are expected to do the following:

- Ask for the assistance you require from the driver, e.g. to take your arm or push your wheelchair
- Be at the pick-up location at the start of your pick-up window
- Carry your own parcels – a maximum of two parcels carried on your lap
- Cancel trips a **minimum** of two hours ahead of pick-up time

## Cancelling a Trip

Trips must be cancelled *more than two hours ahead*, otherwise it is considered a late cancellation.

handyDART resources are limited and always in demand. If you must cancel a trip, it is important that you call the handyDART office as soon as you can. By cancelling as far in advance as possible, you help us improve service to all our passengers. Provide your name, date and time of scheduled trip and trip destination.

## **Types of Trips**

### **Subscription Trips**

Subscription trips are scheduled once a week or more at the same location and time for an extended period. An example would be a biweekly physical therapy appointment. To request this service, you must contact handyDART to check availability. Subscription trips are cancelled on holidays.

### **Reservation Trips**

Reservation trips are one-time or occasional trips. These trips are scheduled on a first-to-call basis. You need to book a trip in advance of the date required but no more than 14 days in advance.

- Secure CSA-approved car seats, wheelchairs, walkers and scooters in the vehicle
- Assist you with your seat belt
- Assist you to and from accessible entrance doors

## Wheelchair, Scooter and Mobility Aid Guidelines

The safety of our customers and our drivers is a priority for BC Transit. handyDART vehicles have a side ramp to accommodate most wheelchairs or scooters. Your mobility device must meet size, weight and safety guidelines. Combined weight means the weight of the customer and the mobility device.

**Combined Weight, power mobility devices:**  
272 kg (600 lbs.)

**Combined Weight, manual wheelchair:**  
113 kg (250 lbs.)

### Safety Guideline:

- Manual device, with an attendant, can exceed weight limit of 113 kg (250 lbs) if an attendant is assisting with boarding and getting off the bus
- Wheelchairs are required to have lap belts and footrests

Refer to the Mobility Aid Guide online or contact handyDART.

## Using the Ramp

All customers using wheelchairs or scooters will use the ramp to get on and off the handyDART vehicle.

## Guide Dog and Service Dogs

BC Transit welcomes guide and service dogs on our buses for persons with disabilities in accordance to the Guide Dog and Service Dog Act (GDSDA) and the BC Human Rights Code. *You will not be asked to provide GDSDA certification*; however, when coming on board with a guide dog or service dog, **the dog must be on leash or wearing a harness** and not occupy a seat. Emotional Support or Therapy dogs are not covered under the GDSDA, therefore, they are not permitted on BC Transit vehicles.

Guide and/or service dogs are expected to be non-disruptive and non-aggressive while on board the vehicle. All guide dogs and service dogs should:

- Not have disruptive behaviour toward the operator or other customers.
- Not disrupt the safe operation of the bus.
- Not pose a risk to others or damage property inside the vehicle.
- Not be allowed to roam freely in the vehicle.
- Not urinate or defecate on the vehicle.

## Transporting Children

An adult must accompany children under the age of six. Children less than 18 kg (40 lbs) must be carried and secured in a CSA-approved car seat, supplied by the accompanying adult.

## handyPASS

To access Taxi Saver vouchers, customers must first get a handyPASS. Refer to handyPASS photo specifications on acceptance letter.

Show your handyPASS when travelling on the fixed-route bus to allow your attendant to ride free.

## Taxi Saver

When handyDART cannot accommodate your travel needs, you can use Taxi Saver vouchers for one-time trips. A limited quantity of Taxi Saver vouchers are available to permanently registered handyDART riders only. They provide a 50% subsidy towards the cost of taxi rides. You will need to have a permanent handyPASS to use the vouchers.

To buy vouchers by mail, send your order with:

- Name of registered handyDART customer
- handyPASS number
- A return address
- A cheque for \$40 made payable to "BC Transit"

Mail to: Taxi Saver Program,  
520 Gorge Road East, P.O. Box 9861,  
Victoria, B.C. V8W 9T5.

You can mail three post-dated cheques at once, made out for the first of each month.

You can also purchase vouchers in person at the BC Transit office at 520 Gorge Road East, Victoria.

## Booking a Taxi Saver Trip

To book a Taxi Saver trip, call your local area taxi company directly. Be sure to confirm that the taxi company accepts Taxi Saver vouchers. When you call to book your taxi, tell the dispatcher if you need a wheelchair-accessible vehicle.

## How to Use the Vouchers

1. When you reach your destination, present your handyPASS to the driver.
2. Use your Taxi Saver vouchers to pay the dollar amount of the taxi meter fare.
3. Use cash to pay anything that is not a whole dollar amount (for example, if the taxi fare is \$5.80, you would pay \$5.00 using vouchers and 80¢ in change).

## Rules

- Taxi drivers cannot make change for Taxi Saver vouchers
- You may not use vouchers as tips
- Taxi Saver vouchers are not transferable to other individuals or transit systems

## Taxi Service Commendations or Complaints

If you have a compliment or complaint about the service you received when using Taxi Saver vouchers, please contact the manager of the taxi company that served you. Please have the name of the taxi company, the day and time of the trip, and the trip destination.

## Policies and Guidelines

### **'No Show' or a 'Late Cancellation'**

If handyDART arrives during the pick-up window and you are not there, the driver will not wait. Your file will indicate a 'No Show' and other trips booked that day will be cancelled automatically. If you need these trips, contact the handyDART office immediately.

A 'Late Cancellation' occurs when you cancel a trip within two hours of your scheduled pick-up. It is very difficult to offer trips to other customers with short notice.

### **Service Restriction Penalty**

For handyDART riders who have three (3) unexplained no-shows or late cancellations within 30 days, there will be a two (2) week service suspension imposed.

Subscription riders who have three (3) unexplained no-shows or late cancellations within 30 days will also lose their subscription trip status. They will only be permitted to book one-off trips after their suspension period has ended.

Note: handyDART riders will be notified after 24 hours via telephone and/or mail each time a no-show or late cancellation occurs.

Incidents will not be counted as a no-show or late cancellation where the customer has called with a valid reason (something beyond the customer's control), within 24 hours.

### **Behaviour Guidelines**

In order to ensure excellent service for all customers, handyDART reserves the right to require a customer to travel with an attendant or to suspend service for any customer who consistently does not meet handyDART guidelines or for inappropriate behaviour.

# Frequently Asked Questions

## **May I use the fixed-route bus and handyDART for different trips?**

We encourage you to use the transit service that best meets your travel needs. Sometimes you may be able to use the fixed-route bus for a trip, while for other trips you may need the extra assistance of handyDART.

If you are not familiar with using the bus, call your local transit service for more information.

## **May I bring an attendant?**

If additional assistance is required, handyDART customers may travel with an attendant.

Please let your transit operator know if the person travelling with you is your attendant.

Attendants travel free on handyDART and accessible fixed-route, and must board and exit at the same stop as the customer.

An attendant can not be a registered handyDART customer.

Your driver will ensure that the securements are properly fastened. Attendants do not need to help load and secure mobility aids on the handyDART bus. On fixed-route, attendants are expected to assist with loading and securing mobility aids.

### **May I travel with a companion(s)?**

You may travel with family members and friends on handyDART, space permitting. A companion is a person who travels with you as a friend and is not required for your assistance. All companions pay full fare. You must let the dispatcher know that you wish to travel with a companion when you book your trip.

### **How are an attendant and a companion different?**

An attendant is a person who travels with you because you need their assistance to travel. An attendant is responsible for your care and assistance during the entire trip. Customers requiring an attendant must notify handyDART at the time the trip reservation is made. Attendants are not required to pay a fare. An attendant cannot be a registered handyDART customer.

### **May I bring a pet on board?**

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

### **Can I bring parcels and bags on handyDART?**

You may bring two parcels with you but these must be held on your lap. If you are going to the airport you can bring luggage. Just tell the customer service agent when you book the trip to ensure that space is available.

## Can I book trips for a group of customers?

Group trips can be arranged and provided for handyDART customers, their attendants and companions if space is available. To arrange for a group trip, call your local handyDART office to speak to a customer service agent. Trips can only be provided if space is available.

## How do I make a commendation or complaint about handyDART service?

We appreciate your feedback on our service. For complaints or commendations, call your local municipality or regional district – visit [bctransit.com](http://bctransit.com) for contact information or ask the office.
