

Saanich Transit Centre Project Update

Join us Saturday for another open house!

The project team had some great conversations yesterday with neighbours and local business owners. If you didn't get a chance to stop by, join us Saturday for coffee and a snack (yes, we have treats for your four-legged friends too) and find out more about the upcoming site preparation and demolition activities.

Open house details:

Location: 4196 Glanford Avenue (former Wilson's Transportation site)

Date/Time: Saturday June 20 from 10am – 1pm

We hope you can join us!

Planning for a future Saanich Transit Centre

Watch one of a series of videos we'll be sharing about why we need a future transit centre in the Victoria region
