5	Chair's Remarks ATAC Chair Monsour welcomed and introduced VRTC Chair Susan Brice. Chairperson Brice acknowledged Committee Members Collette, Sommerville and Robertson attending the last meeting of their term with the Committee, thanked all Committee Members for their efforts to pivot and continue to meet virtually and reviewed the work the Committee had accomplished in 2021. Chairperson Brice shared the Commission's appreciation of the Committee, as volunteers contribute important value added benefit to the community.	For Information	Chair
6	Business Arising from Previous Meeting		
	Nothing to Review		
7	Standing Items		
	 Handy DART Presentation A verbal report from HandyDART GM, B. Davey was presented to the Committee. Highlights of the presentation include: The number of trips continues to increase over time, but not to the pre-COVID rates yet (approx. 75% of pre-pandemic service levels) Victoria HandyDART is experiencing best recovery in BC 	For Info	Bill Davey, GM, (First Transit) HandyDAR T

	 19,000 trips were scheduled in November 2021 and 75% of stand-by trips were accommodated 		
	 2-4pm weekdays continues to be the most challenging time to meet demand for service, primarily due to increase in rides for participants 		
	in Adult Day Programs		
	 Staffing has increased in both office positions and drivers to support service demands 		
	 Discussions with and support from BC Transit continue and are very positive 		
	 Reviewing booking procedures with BC Transit 		
	Questions and comments from the Committee included:		
	\circ Is it possible to call Customer when a taxi has been sent		
	instead of a bus?; GM Davey will speak to Office Staff about this suggestion		
	 Challenging to book service for medical appointments that are not 14 days in advance 		
	 When a taxi is scheduled by HandyDART instead of a bus, they often arrive early 		
	D. Harriott advised Committee Members that service does not/cannot		
	prioritize trips as per Human Rights legislation and that finding the right		
	balance of subscription and standby trips is a challenge throughout the		
	province		
	Discussion was held about HandyDART providing training for taxi companies who support the Taxi Saver program and HandyDART. Committee Member S. Jennings offered her time and expertise should HandyDART develop a program for taxi drivers.		
	B. Davey thanked Committee Members for their continued support.		
8	New Business		
	A. Light Duty Fleet Update Presentation / Follow Up		
	 Committee Members received a presentation on light duty vehicle initiatives 	For Info	Ryan Drake – BC Transit
	ATAC had provided feedback to the Fleet Department in 2019 on these vehicles with the incline wheelchair assisted loading system (a pulley		Project Manager,
	system)		Fleet
	 system) The presentation acknowledged the value of ATAC's participation, as the final product took into consideration the Committee's shared information 		Fleet Capital Projects
	 The presentation acknowledged the value of ATAC's participation, as the final product took into consideration the Committee's shared information One of the project's guiding principles was to eliminate the idea of having one type of bus do everything but nothing well, to have specialized 		Capital
	 The presentation acknowledged the value of ATAC's participation, as the final product took into consideration the Committee's shared information One of the project's guiding principles was to eliminate the idea of having one type of bus do everything but nothing well, to have specialized vehicles to better meet the needs of customers 		Capital
