Welcome Aboard

Your local transit system runs seven days a week. Buses serve all areas of the Central Okanagan including Kelowna, West Kelowna, Westbank First Nation, Lake Country and Peachland. Connecting service to Vernon is available through the Vernon Regional Transit system. Connecting service to Penticton is available through the South Okanagan-Similkameen Transit system.

Fixed-route service – scheduled service to major destinations and residential areas. Low floor buses make it easy for everyone to get on and off the bus.

Paratransit service – during scheduled service, the bus may detour to pick up riders who are unable to get to a designated bus stop because of a disability or who live beyond the normal walking limits of the transit service.

handyDART – door-to-door service for people who cannot use the fixed-route service because of a disability.

About Your Transit System

Funding for your local transit system is cost shared between the City of Kelowna, City of West Kelowna, District of Lake Country, Westbank First Nation, District of Peachland, Regional District of Central Okanagan and BC Transit.

Decision on fares, routes and service levels are made by the councils and board based on information and planning provided by BC Transit. Buses are operated by First Transit Canada.

Operating costs are met by a combination of farebox revenues and local governments and provincial funding.

Pass Programs

Tax Exemption

You do not pay tax when you purchase your transit fare. Transit fares are exempt from federal and provincial tax.

Free Transit for Children 12 and Under

Children aged 6 to 12 ride conventional and handyDART buses for free, without requiring a fare product or identification.

Children 5 and under will need to be accompanied by an attendant 12 years or older to ride for free. Children must board and depart at the same stop as the attendant.

Post-Secondary Students

Adult students in full-time attendance at a recognized post-secondary school can travel on a College Monthly or four-month Semester Pass. Simply show the bus driver your valid student photo I.D. card at the time of boarding. College monthly and College semester passes are available at Okanagan College.

U-PASS gives all UBC Okanagan students unlimited access on all Kelowna Regional Transit routes. The semester fee is mandatory. For more information, students should consult their student society representatives or visit <https://www.ubcsuo.ca/u-pass>

ProPASS

ProPASS is a discounted transit pass program for workplaces. Employees sign up for a minimum of four months by payroll deduction, and monthly passes are mailed to your office. When three or more employees sign up for ProPASS, your business or workplace is eligible for a 10–15% discount on transit passes. Visit smartTRIPS.ca to learn more or email the City of Kelowna at tranmgmt@kelowna.ca

Government of BC Bus Pass Program

The BC Bus Pass Program is offered by the Ministry of Social Development and Poverty Reduction. The bus pass is valid for the eligible rider on any fixed-route transit service. The pass is non-transferable.

For information on criteria for eligibility, visit www.buspass.gov.bc.ca or call 1-866-866-0800.

Transit Tips

Here are some courtesy and safety tips to keep in mind while travelling on the bus.

Always

- ✓ plan to arrive at the bus stop a few minutes early
- ✓ have your correct fare ready before boarding
- ✓ take a seat as soon as possible after boarding
- ✓ hold on while the bus is in motion
- ✓ be a good neighbour – yelling or loud music on the bus can be distracting for the driver and other passengers
- ✓ hold on to your children, strollers, parcels, luggage and sports equipment

Never

- ✗ stand in the street or sit on the curb when the bus approaches
- ✗ run after or hit the side of a moving bus
- ✗ allow your children to stand or kneel on the seat while riding the bus
- ✗ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
- ✗ use offensive or abusive language on the bus

How to Ride

Bike Racks

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you're considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes with lithium batteries which fit into the bike rack and weigh less than 25kg (55 lbs) are permitted as long as the battery is removed and brought on board the bus. No other electric or gas powered bikes are permitted due to safety reasons.

Bike racks on community buses can only be used during daylight hours, 30 minutes prior to sunset and 30 minutes after sunrise, as bikes can block the headlights.

Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell) must be small enough to fit on the owner's lap. Customers must hold on to their cages at all times. If there is room, the customers may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other customers.

Guide Dogs and Service Dogs

Guide and service dogs that are certified by the government of British Columbia are allowed on public transit at all times. This does not include emotional support or therapy dogs. If you're using a guide or service dog while travelling on one of BC Transit's services, the animal must wear its harness or leash. You may be asked to produce your BC Guide Dog and Service Dog Certificate. For more information, visit bctransit.com.

90 UBCO/Vernon

Vernon Regional Transit 250-545-7221

The Connector operates between Vernon and Kelowna's UBC Okanagan campus. The service is operated by Vernon Regional Transit. Connections to other routes can be made at the Downtown Vernon Exchange or UBC Okanagan Exchange.

Transit Wave

Some bus stops are used by multiple bus routes. When your bus is approaching, let the driver know you want that bus by stepping forward and signaling. Buses do not automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

No Smoking

Provincial tobacco laws (*Tobacco and Vapour Products Control Act*) prohibit smoking in bus shelters, on transit vehicles at all times and within 3 metres (10 feet) of the bus.

Clothing

For safety reasons, shirts and footwear must be worn to board the bus or the driver will refuse service.

If you are coming from the beach or pool, please make sure your clothes are dry when boarding.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

Bus Stops

Transit stops vary according to land use and customer use. Stops may have a shelter, a bench or simply a bus stop sign. Some signs will list the routes that use the bus stop and includes the bus Stop ID number.

Fare Checks

Please be courteous when your driver checks your fare, transfer or asks to look at your pass – it is part of their job.

Additional Service

From September to June additional buses are added to alleviate over-crowding. For more information, contact 250-860-8121.

Safety

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the *B.C. Motor Vehicle Act*.

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip, use a flashlight or use the light from your mobile phone to signal the driver that you are at the stop.

Request-a-Stop

After dark, customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions. This service is available after dark on all buses except the 97 Okanagan.

Central Okanagan Crime Stoppers

Graffiti removal on buses and at exchanges has a cost impact on transit service. Central Okanagan Crime Stoppers pays cash rewards of up to \$2000 for information leading to an arrest in any unsolved crime, including graffiti. Remain anonymous and help your transit system by reporting vandals at 1-800-222-8477.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer or if the bus is not a low floor bus, please store your folded stroller between seats. Hold on to your child at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free with a *Companion Pass* and must display this pass to the driver. Attendants must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened. Requests for Companion Passes can be directed to the City of Kelowna, Regional Services Department at tranmgmt@kelowna.ca.

Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 250-860-8121.

handyDART

handyDART is a door-to-door, shared-ride transit service for people unable to take fixed-route transit some or all of the time.

Courtesy Counts!

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you feeling unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

Put your wheels on the bus in 3 easy steps

1. When the bus is stopped, let the driver know you want to use the bike rack.
2. Lower the bike rack and lift your bike into the wheel slots, with the front tire nearest to the support arm.
3. Raise the support arm as high as you can over the front wheel to lock your bike in place. Don't forget to remove all loose items from your bike, including water bottles.

If it's your first time loading your bike onto a transit bus rack, feel free to ask your driver for assistance.
