Transit Tips

Here are some courtesy and safety tips to keep in mind while travelling on the bus.

Always

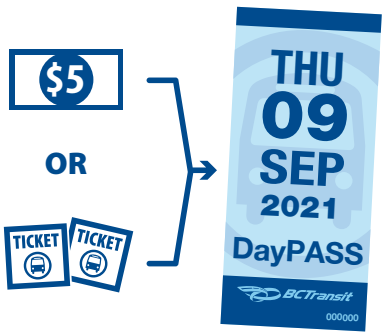
- ✔ plan to arrive at the bus stop a few minutes early
- ✔ have your correct fare ready before boarding
- ✔ take a seat as soon as possible after boarding
- ✔ hold on while the bus is in motion
- ✔ be a good neighbour – yelling or loud music on the bus can be distracting for the driver and other passengers
- ✔ hold on to your children, strollers, parcels, luggage and sports equipment
- ✔ keep your head, hands and arms inside of the bus
- ✔ remind your driver before you leave the bus if you have to remove your bike from the bike rack
- ✔ assist your children on and off the bus

Never

- ✘ stand in the street or sit on the curb when the bus approaches
- ✘ run after or hit the side of a moving bus
- ✘ allow your children to stand or kneel on the seat while riding the bus
- ✘ enter the street in front of or directly behind a stopped bus – make sure traffic can see you
- ✘ use offensive or abusive language on the bus

DayPASS

A DayPASS is valid for unlimited travel on any route. Purchase a DayPASS from your driver with either $5.00 cash or two tickets. Only available on the bus.



How to Ride

Bike Racks

Most bikes can be accommodated on BC Transit buses when their wheels fit properly in the bike rack. If you are considering travelling by bike and transit, instructions are posted on the bike racks.

Before your bus arrives, make sure that saddlebags, antennas, helmets, child carriers or any other item that could interfere with the driver's vision are removed from the bike. Electric bikes are only allowed on the bike rack when they weigh less than 25kg (55 lbs.). Removable battery packs are permitted on board.

Bike racks on community buses can only be used during daylight hours. Bikes block the headlights at night. Visit *Rider Info* at bctransit.com for an instructional video.

Pets on Board

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages (hard or soft shell pet carriers) must be small enough to fit on the owner's lap.

Passengers must hold on to their pet's cage at all times. If there is room, the passenger may place and hold the cage beside them on the floor. The cage should not block the aisle or restrict other passengers.

Assistance animals that are certified are allowed on public transit at all times. You may be asked to produce your Guide Animal Certificate.

Transit Wave

Some bus stops are used by multiple bus routes. When your bus is approaching, let the driver know you want that bus by stepping forward and signaling. Buses do not automatically stop at all bus stops.

At major bus stops, more than one bus may arrive at the same time. Please walk to your bus.

While at your stop, wait until the bus comes to a complete stop before approaching the doors.

No Smoking

Provincial and Federal laws *(Tobacco and Vapour Products Control Act* and *Cannabis Control and Licensing Act*) prohibit smoking and vaping in bus shelters and on transit vehicles at all times and within 3 metres (10 feet) of the bus. Use of electronic cigarettes are not permitted on transit vehicles or on property controlled by BC Transit.

Food and Beverages

To keep buses clean and safe, any food or drink you bring on board must be in a closed container that is spill-proof. Coffee and other beverages can be consumed on board provided the beverage is carried in a sturdy container with a lid that will prevent the liquid from spilling. Open alcohol is not permitted on the bus.

Take your garbage with you when you leave the bus. We appreciate your help keeping the bus clean.

Parcels

For safety reasons, please place and hold your luggage, bags, sports equipment and other belongings on your lap or on the floor where they will not obstruct the aisle or other customers.

Do not bring combustible materials, such as wet-cell batteries, propane tanks or gasoline containers on the bus.

Bus Stops

Bus stops vary according to customer use. A stop may have a shelter, a bench, or simply a bus stop sign. Some signs will list the routes that use the bus stop.

Safety

Transit buses are not permitted to carry passengers when they are not in service. Transit operators are not permitted to go off posted transit routes.

The Bus is a Safe Place

Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are also trained to assist a child or adult in need. Tell the driver if you are concerned about your safety.

BC Transit's safety and security practices uphold the *British Columbia Transit Act* and the B.C. *Motor Vehicle Act.*

Be Safe and Be Seen

Sometimes it is difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip or use a flashlight or the light from your mobile phone to signal the driver that you are at the stop.

Request a Stop

Customers who feel that their personal safety is at risk can ask their driver to stop between regular bus stops. Ask your transit driver at least one bus stop ahead of where you wish to get off. You will be let off at a safe location closest to your request. Please contact your local transit office for details and any time restrictions.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your driver about transit service. Please remember that safety is our main concern and lengthy conversations can distract the driver.

Accessibility

Courtesy Seating

BC Transit serves everyone on a first-to-board basis. Courtesy seating is the front accessible area of the bus and is especially vital to:

- customers that use scooters, wheelchairs, pediatric strollers or other mobility aids
- customers with a disability or mobility issue
- customers with baby strollers

Your mobility aid must not exceed 2 feet by 4 feet (61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Mobility aids include scooters, wheelchairs, baby strollers and pediatric strollers.

Baby Strollers

- should be collapsible
- must be kept clear of the aisles
- must be positioned in an unoccupied wheelchair location with the brakes set
- must be held on to at all times

When wheelchair positions are occupied or required by another customer, please store your folded stroller between seats. Hold on to your child at all times during the trip.

If the bus is not a low floor bus, the child must be removed from the stroller, the stroller collapsed and secured between the seats, and the child held on to at all times.

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB pass holders may travel with an attendant. Please let your transit operator know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

handyDART

handyDART is a door-to-door, shared transit service for people unable to take fixed-route transit.

Orientation

If you would like to learn how to board a bus with your wheelchair, walker or scooter, we can help. Call your local transit office to arrange a session.

Accessible Stops

The accessible features on a bus can only be safely used at designated bus stops. These stops are identified by a white and blue decal featuring the International Symbol of Access. Customers using wheelchairs and scooters may board and exit from the bus only at accessible bus stops. To check if a stop is accessible, call 250·390·4531.

Courtesy Counts

Thank you for being courteous and respectful of your driver and fellow passengers.

- Stay home when you feeling unwell.
- Enter through the front door and exit by the back door.
- When finding your place on the bus, keep an eye out for areas with extra space. Respect your fellow riders' personal areas as you move about the bus.
- Make sure you are behind the red line when the bus is in operation. This is for your safety and so customers can quickly enter and exit the bus.
- Seats are for customers, not bags, feet or wet umbrellas. Place and hold your bag on your lap or on the floor where it will not obstruct the aisles or other customers.
- Be mindful of your belongings as you walk through the bus – you may be accidentally bumping into other customers as you pass.
- Please keep your cell phone conversations at a reasonable sound level.

Safety Tips

- Customers may board only at designated bus stops. Please do not put your safety at risk trying to board a bus that is in mid-traffic. While in traffic, your transit driver cannot safely let you on or off the bus.
- If you have difficulty boarding, please tell your transit driver that you need time to get to the first available seat.
- Always use handrails and stanchions.
- Never run after or hit the bus when it is moving.
- You may have questions for your driver about transit service. Please remember that safety is our main concern and lengthy conversations can distract the driver.
